

We have created a new page to keep all our citizens, all the people who originate from this area, our friends, and all those interested in the life and social events in Vrebac informed and up to date.

Of course, this page does not aim to replace the information published on other pages. Our aim is to provide general and brief information and encourage you to improve your Serbian/Croatian language skills.

We also want to invite you to become a part of our team and help us achieve our common goals.

Do not hesitate to contact us at mo-vrebac@mo-vrebac-pavlovac.hr
